COMPANY PROFILE

Gambit is a multi-award winning, multi-asset FX & CFD broker, enabling clients worldwide to trade currency pairs, indices and commodities in premium trading conditions.

Gambit group operates under full regulation of the trusted and reputable financial authorities, and have obtained the certificate of Company incorporation of uk (NO. 648LLC2020) in 2020.

We are great believers in helping our clients grow and prosper as traders. That's why we provide a full and integrated BOT suite of trader support services ranging from personalised 1-on-1 coaching, industry-leading market analysis and innovative smart trading tools so our clients can make better, more informed trading decisions.

At Gambit, we are committed to building long term relationships with our clients. We operate on trust, transparency and provision of premium trader support services, and it is these values & principles that have made us a preferred and trusted partner for traders around the world.

ABOUT GAMBIT LTD.

Gambit was created in 2014 to provide a stable no dealing desk forex broker to service a global client base. Our veteran management and support team comprises **highly experienced forex and fin-tech professionals** with combined decades of experience providing the best possible trading conditions and client support to both retail and institutional clients.

Gambit has assembled a strong leadership team based in England UK.

With decades of combined financial services and management consulting experience, you can rely on the Gambit leadership team to provide the most stable, secure and reliable trading environment. The Gambit leadership team frequently consults with stakeholders such as regulators, banks and other members of the financial services industry to ensure business integrity and customer security. The team also liaises with experienced service providers from Singapore, Australia, USA, UK and India to bring the best industry experience and innovations to Gambit customers.
